*The cash back bonus is offered in most states. In some states, a gift card or commission reduction at closing may be provided in lieu of the cash back bonus. The program is not available for employer-sponsored relocations or transactions in Iowa or outside the United States. The cash back bonus is not available in Alaska, Louisiana and Oklahoma. In Kansas and Tennessee, a MasterCard® MAX gift card will be issued. In Mississippi, New Jersey, and Oregon, a commission reduction may be available at closing. The cash back bonus is only available with the purchase and/or sale of your home through the use of a program-introduced real estate agent. The actual amount you receive is based on the purchase and/or sale price of your home. The program award is not available in certain transactions with restricted or reduced agent commissions (including many new construction, For Sale by Owner, or For Sale by iBuyer transactions or where a minimum transaction side commission is not paid). Your assigned agent or a real estate coordinator can help you identify any transactions where the award would not be available.

All real estate commissions are negotiable.
